Cyaxiom technology

Web design and brand building

This was my first project in UI/UX design, and I'm proud of what we built. Collaborating with Cyaxiom's developers, we turned ideas into a clean, modern, user-friendly website. Every detail reflects passion, learning, and thoughtful design.

One stop travel solutions

Short form content

Editing for Onestop Travel Solutions sharpened my storytelling through travel content, blending emotion, pacing, and style—while consistently delivering under tight deadlines.

Education

Completed

Complete Web & Mobile Designer: UI/UX, Figma

Helped me design cleaner, more user-focused interfaces with confidence using Figma and solid UI/UX principles.

Completed

Ultimate editors by Joseph

Sharpened my editing skills and workflow, learning how to craft high-retention videos with a storytelling mindset.

In progress

Motion foundation with Ben Marriott

Currently taking this course to strengthen my motion design skills — learning new techniques daily and steadily growing with each lesson.
